We have classified this product as 3 out of 7, which is a medium-low risk class. This rates the potential losses from future performance at a medium-low level, and poor market conditions are unlikely to impact the Sub-Fund's capacity to pay you.

Other material risks relevant to the Sub-Fund not included in the summary risk indicator are set out in the Prospectus available in section "Risk Considerations".

Performance Scenarios

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

Recommended holding period:		3 years	
Example Investment:		EUR 10 000	
		If you exit after 1 year	If you exit after 3 years
Scenarios			
Minimum	There is no minimum guaranteed return if you exit before 3 years. You could lose some or all of your investment.		
Stress	What you might get back after costs	EUR 7 710	EUR 7 560
	Average return each year	-22.90%	-8.90%
Unfavourable	What you might get back after costs	EUR 8 220	EUR 7 950

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

The stress scenario shows what you might get back in extreme market circumstances.

Unfavourable scenario: this type of scenario occurred for an investment between 31 October 2020 and 31 October 2023.

Moderate scenario: this type of scenario occurred for an investment between 28 February 2019 and 28 February 2022.

Favourable scenario: this type of scenario occurred for an investment between 31 January 2017 and 31 January 2020.

What happens if FundSight S.A. is unable to pay out?

The investor of this Product will not face financial loss due to the default of the investment manager, the Management Company, as the Sub-Fund is considered to be a separate entity with segregated assets.

The SICAV is not part of any investment compensation or guarantee scheme.

What are the costs?

The party advising on or selling you this product may charge you other costs. If so, this party will provide you with information about these costs and how they affect your investment.

Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest and how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.

- EUR 10000 is invested.

	If you exit after 1 year	If you exit after 3 years
Total costs	EUR 77	EUR 238
Annual cost impact (*)	0.8%	0.8% each year

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 2.1% before costs and 1.3% after costs.

How long should I hold it and can I take money out early?

Recommended holding period: 3 years

A shorter holding period can cause a loss due to short-term variations in the value of securities and exchange rates. The recommended holding period reflects the time needed for the investment strategy to achieve its objectives and for the risk profile to stabilize.

You can place orders to buy or sell Sub-Fund shares at any time. Orders received on any given Luxembourg business day before 12 p.m. Luxembourg time will be processed at that day's share price.

When selling early, you will not incur any fees or penalties that are related to disinvestments within the recommended holding period. Please refer to the exit costs described in the section "What are the costs?".

How can I complain?

Each shareholder who is not satisfied with its experience as an investor in the SICAV should contact the Management Company in accordance with the applicable complaints handling policy which is available at <https://www.fundsight.com/corporate-governance/>.

Each shareholder may also have the right to complain to the Consumer Protection department of the Luxembourg regulator CSSF which is available at <https://reclamations.apps.cssf.lu/index.html?language=en>.

Investors can also contact FundSight S.A. at 106 route d'Arlon, L-8210 Mamer, Grand Duchy of Luxembourg, or complaintshandling@fundsight.com, to make a complaint.
